Lodging: List of accommodation in Bánk provided below

Every lodgment listed below is located 10 minutes from the location of the competition on foot. We recommend resorting to these when searching for accommodation.

Attention!

In the F6 and F7 categories, pyrotechnical devices can only be used, if the competitor provides the following data of the device until march 25, 2011.

- name of pyrotechnical device(s)
- caliber of device(s)
- pyrotechnical rating of the device(s)
- UN number of the device(s)
- number of devices

The competitor must fill a declaration form for the safe use of the pyrotechnical devices. The form will be downloadable from the official website.

Use of unregistered pyrotechnical devices will result in suspension and deletion of the competitor's current run!

If there are changes in the data of the model, or the radio controller, a 10 Euro fee must be paid for modification. Radio controllers may only operate on the frequency provided and checked during registration!
